

Website Structure

CPA Affiliate Marketing Platform

Mr. Void — Full Project Blueprint

1. Landing Page (Main Funnel)

Goal

Convert visitors into webinar registrations + paid mentorship calls.

Sections

Hero Section

Big headline:

FREE CPA Affiliate Marketing Webinar — Learn to Earn \$3000+/Month with Mr. Void

Subheadline:

For Students, Freelancers & Online Income Seekers — Learn organic CPA methods without ads or investment.

Buttons:

- Join Free Webinar
- Watch Demo
- Join Telegram

Additional Elements:

- Animated background
- Money proof counters
- "Limited Seats" badge

2. Introduction Section

What is CPA Affiliate Marketing?

Short explanation:

CPA (Cost Per Action) affiliate marketing is a performance-based model where you earn commissions when users complete actions like signups, app installs, form submissions or purchases.

Logos to display:

- OGAds logo
- AdBlueMedia logo
- CPAGrip logo
- CPALead logo

Note: Allow admin panel to update logos and network form.

3. Social Proof Section

Cards with the following platforms:

Instagram

- Reels preview
- Username
- Followers
- CTA button

Telegram

- Community preview
- Payment proofs
- Offer updates

WhatsApp

- Direct mentorship support
- Personal guidance

YouTube

- Tutorials
- Case studies
- Student wins

4. Video Demo Section

This section is **VERY** important.

Add:

- Embedded intro video
- "Watch Before Joining" label
- Autoplay muted background trailer

Suggested text:

Watch how complete beginners are generating daily CPA commissions using free traffic methods.

Video Options:

- YouTube iframe
- MP4 upload support

5. What You'll Learn

Cards layout:

- Organic Traffic Methods
- Viral Instagram Reels
- Content Locking
- Telegram Monetization
- Landing Page Creation
- Scaling to \$500+/day
- Whitehat Arbitrage
- CPA Offer Selection

6. Mentor Section

Say Hi to Mr. Void

Add:

- Mentor photo
- Earnings stats
- Experience counter

Example stats:

- 5+ Years Experience
- \$50k+ Earnings
- 1000+ Students
- International Students

7. Earnings Proof Page

Page route: /proofs

This should contain:

- Grid gallery
- Lightbox popup
- Image upload support

Categories:

- OGAds
- AdBlueMedia
- Telegram
- Student Proofs
- Withdrawals

Labels:

- "Verified Earnings"
- "Real student results"

VERY important: Use lazy loading because proofs can become heavy.

8. Webinar Registration Page

Page route: /webinar

Sections

- Webinar countdown timer
- Google Meet/Zoom integration
- Registration form

Form Fields

- Name
- Email
- Telegram Username
- WhatsApp Number

Button:

- Reserve Free Spot

After submission:

- Redirect to Telegram group

9. Paid Help / Consultation Page

Page route: /consultation

Price: Rs.149 per session

What user gets:

- 1-on-1 WhatsApp guidance
- CPA setup help
- Offer selection
- Landing page review
- Beginner roadmap

Flow

1. User clicks 'Book Session'
2. Razorpay payment popup opens
3. After payment success: Redirect to WhatsApp OR unlock Calendly booking

Additional options:

- Auto-send WhatsApp message after payment
- Store payment data in database

10. About Us Page

Sections

- Mission
- Journey
- Student impact
- Why trust us

Example text:

We help students and freelancers build online income using ethical CPA affiliate marketing methods and free traffic systems.

11. FAQ Section

Is this webinar really free?

Yes, 100% free.

Do I need investment?

No.

Is CPA legal?

Yes, completely legal when done ethically.

Will I get support?

Yes through Telegram & WhatsApp.

Is this beginner friendly?

Absolutely.

How do I get started?

Join webinar and follow the roadmap.

12. Premium Plans Page

Page route: /plans

Purpose

The Premium Plans page is designed to:

- Convert free users into paid students
- Showcase mentorship/course offerings
- Explain benefits clearly
- Drive Razorpay purchases
- Build trust with premium positioning

Plans Page Structure

Hero Section

Headline:

Choose Your CPA Growth Path

Subheadline:

Learn CPA Affiliate Marketing from beginner to advanced with mentorship, live classes and proven earning systems.

CTA Buttons:

- Enroll Now
- Contact on WhatsApp
- View Features

Final CTA Section

This part should feel emotional + urgent.

Last Chance

Ready to Flip the Script?

Transform Your Income Today — Join students already earning through CPA affiliate marketing.

What You Will Master

- Organic Traffic
- Content Locking
- Whitehat Arbitrage
- CPA Funnel Creation
- Scaling Systems

What We DON'T Teach

- No self-clicking
- No self-leads
- No fake methods
- No botting
- No blackhat spam

We focus on long-term sustainable income methods.

Button:

- Join Free Webinar

Extra Features You SHOULD Add

Floating Buttons

Floating social buttons:

- WhatsApp
- Telegram
- Instagram

Sticky CTA Bar

Bottom mobile sticky bar:

Tap to Join Free Webinar

Popup Lead Capture

Exit popup:

Wait! Before You Leave...

Collect:

- Email
- Telegram

Admin Panel (Highly Recommended)

For:

- Uploading proofs
- Managing webinar links
- Updating video
- Editing FAQs
- Managing testimonials

Tech Stack Recommendation

Frontend

- Next.js
- Tailwind CSS
- Framer Motion

Backend

- Node.js / Express OR Firebase

Database

- MongoDB

Hosting

- Vercel
- VPS
- Must be Vercel and VPS compatible

Razorpay Integration Features

Reference: <https://razorpay.com>

Features:

- UPI
- Cards
- Netbanking
- QR
- Payment verification
- Webhooks

Payment Flow

4. Create order
5. Open Razorpay checkout
6. Verify signature
7. Save payment
8. Redirect to WhatsApp

Suggested Pages

Page Route	Purpose
/	Landing page
/proofs	Earnings proofs
/webinar	Webinar registration
/consultation	Paid mentorship
/about	About us
/faq	Questions
/contact	Contact links
/plans	Premium Paid Plans

Recommended Design Style

Style:

- Dark/premium background (suggested by designer)
- Blending Glassmorphism & Neumorphism for Modern UI
- Animated counters
- Smooth scroll animations

Design principles:

- Premium
- Trustworthy
- Minimal
- Mobile-first

Project Summary

We basically need:

- 1 high-converting funnel
- 1 proofs gallery
- 1 webinar registration system
- 1 Razorpay mentorship flow
- 1 strong social ecosystem (IG/TG/WP)

This can genuinely look like a premium Rs.50k+ agency-built CPA funnel if done cleanly.

Important Legal Note

Add footer disclaimer:

Earnings are not guaranteed. Results vary based on effort, consistency and implementation.

Avoid the following:

- "Guaranteed income"
- "Instant money"
- Fake proofs

Reason: Razorpay can sometimes flag misleading financial claims.
